Reverso

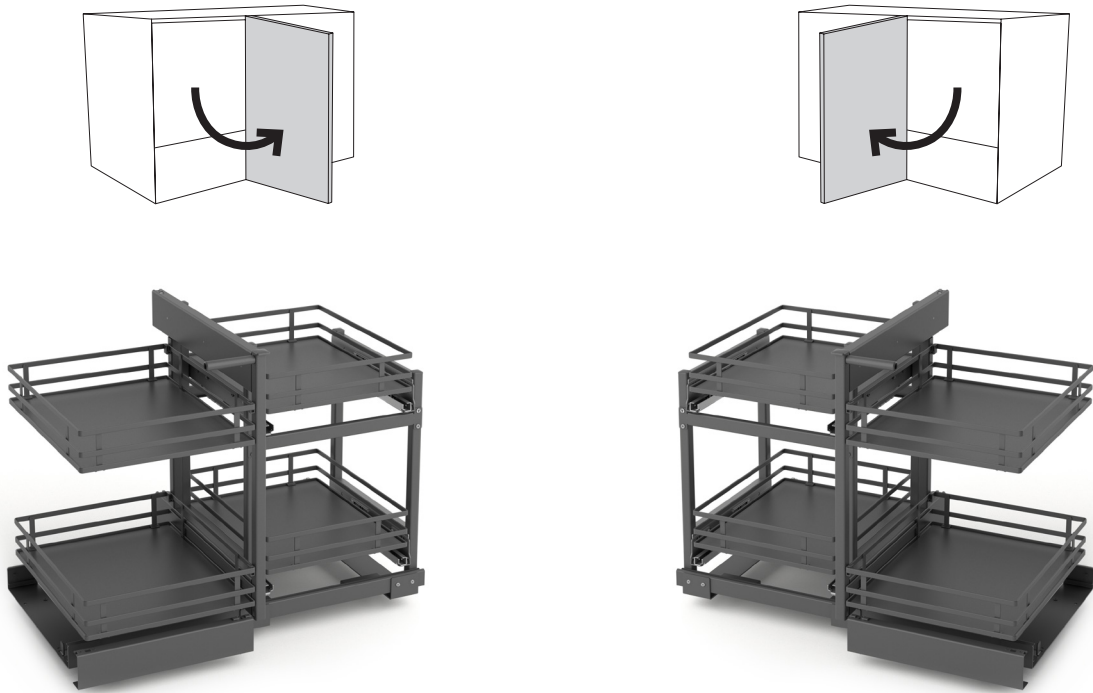

The reversible solution for corner cabinets

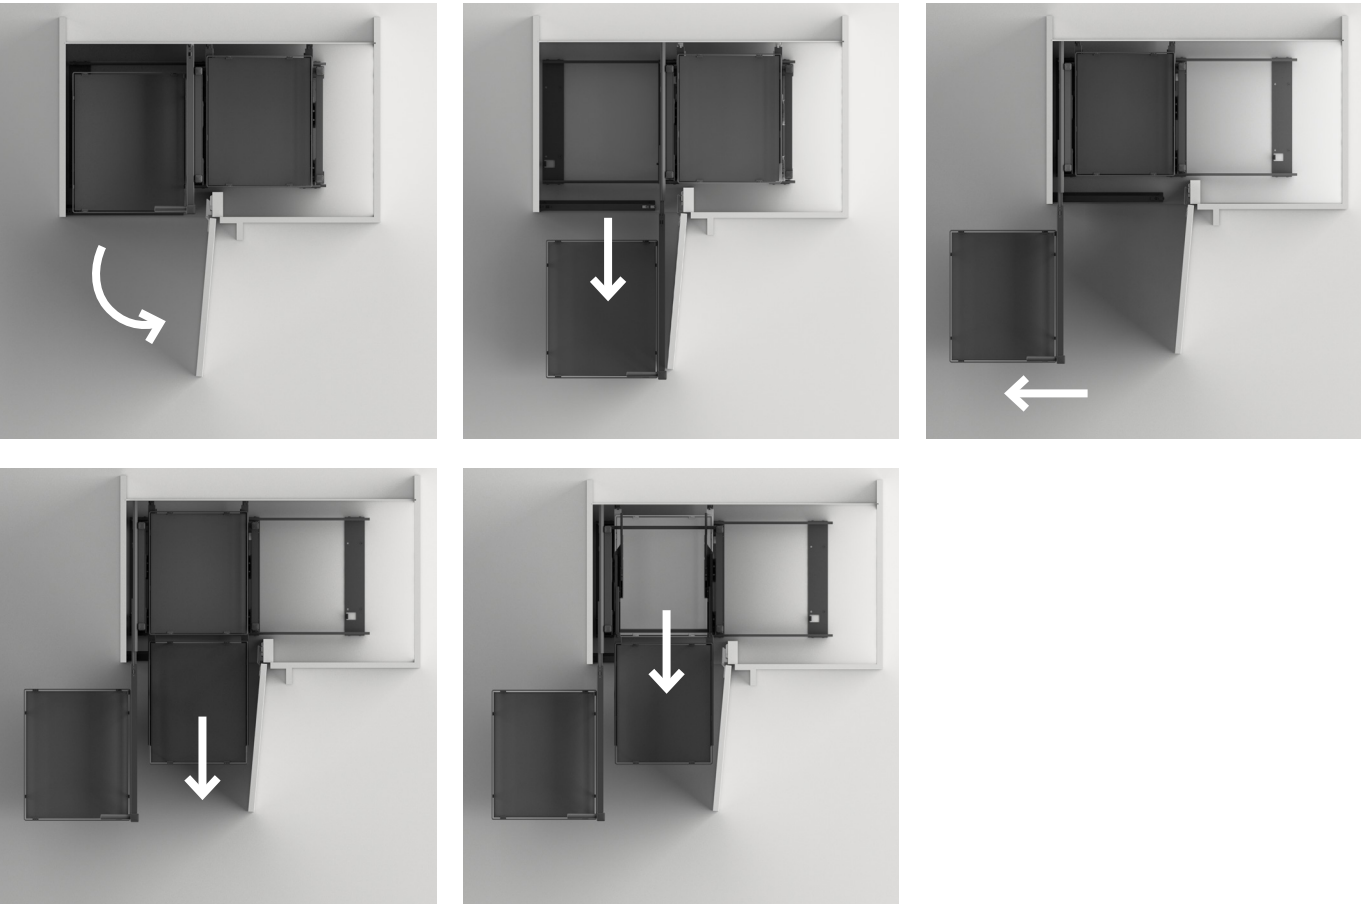

- Easy installation in few steps.
No adjustment of the front as it is combined with hinged doors.
- Independent internal baskets movement for better access on full extension synchronized runners.
- Installation in cabinets from 800 mm to 1200 mm external width and 400 - 450 - 500 - 600 mm doors.

Baskets available in:		
PREMIUM LINE		• Chrome/White • Orion/Orion
		• Grey/Grey • Chrome/White • Chrome/Grey • Orion/Orion
COMFORT LINE		• Grey • Orion • Chrome

Same product can be fitted on RH and LH cabinets
